## Information Report

Dear Sentinel Partners,

The Sentinel Partnership day in October 2014, saw us all thinking about ways that we can gather intelligence from our communities, during our day to day roles, to galvanise action to assist victims of hidden crimes.

There are currently a number of ways to contact the police being:

Via the telephone:

- in an emergency: 999
- non emergency: 101
- Crimestoppers - 0800 555 111
- [emergencysms.org.uk](http://emergencysms.org.uk) (allows deaf, hard of hearing and speech-impaired people in the UK send an SMS text message to the UK 999 service)
- [contactus@west-midlands.pnn.police.uk](mailto:contactus@west-midlands.pnn.police.uk)

What we have now created, is a more structured way for you send us intelligence **THAT IS NOT AN EMERGENCY OR LIFE THREATENING AND DOES NOT REQUIRE IMMEDIATE ACTION** (in these cases ring 999 or 101).

We invite you to save the attached form, and populate it with intelligence that you have gained on the Sentinel strands of:

**Child abuse, Child Sexual Exploitation, Female Genital Mutilation, Forced Marriage, Honour Based Violence, Prostitution, Modern Day Slavery, Domestic Abuse, Rape and Serious Sexual Offences**

Please ensure that 'Sentinel Partner' is included on the form so that we can measure the success of intelligence provided by you as partners and send it to [fib@west-midlands.pnn.police.uk](mailto:fib@west-midlands.pnn.police.uk)

Please ensure that if you are the only person that is aware of this information, **that this is made clear on the form**. This will assist us greatly in our analysis of the intelligence provided and with our future risk assessments.

You could be the one who has the final piece of the jigsaw to save lives and disrupt and convict offenders. Tell us what you know.

Please share this form and email with your partners and colleagues and let's make a real difference.
